

# Maymona Zarraq

Visual Designer & Filmmaker

## About Me

A dedicated design student specializing in visual storytelling and media production. I combine my academic background with hands-on experience in photography, videography, and creative content creation. Driven by curiosity and a passion for meaningful visuals, strive to deliver visuals that connect meaning and emotion.

## Education

- Bachelor of Design and Visual Communication  
Jordan University of Science and Technology 2022 - present

Through this multidisciplinary program, I've gained experience across four key creative fields [multimedia design, animation, game design, and filmmaking]. Over the past years, I've developed strong visual storytelling and production skills, and I'm currently specializing in filmmaking for my graduation project.

## Work Experience

- Media Manager  
Churfaty showroom April 2023 - October 2024  
Handled professional photography and videography for showroom shoots, creating visual content that enhanced brand presence. Demonstrated strong creative storytelling, attention to detail, and proficiency with media equipment and editing tools.
- Videographer/ Editor  
Lami fashion boutique Nov 2023 - May 2024  
Produced and edited high-quality video content for marketing and social media campaigns. Managed all aspects of videography, from shooting to post-production, demonstrating creativity, attention to detail, and proficiency with editing software.
- Content Creator  
Baseline Padel June 2024 - Present  
Created engaging content for social media and promotional campaigns, including photography, videography, and graphic visuals, capturing sports action and player performances to showcase the energy and dynamics of the game.
- Conferences & Events Videographer  
Jordan University of Science and Technology - Student Affairs / Media & Public Relations Oct 2024 - Present  
Captured and edited videos for university conferences and official events, including coverage of the President and academic activities. Demonstrated advanced skills in videography and editing, with the ability to handle live events and organize shots efficiently.

## Certificate

- Photography Certificate – Oxford Certified Program  
Completed a 40-hour accredited photography training program in Amman, combining theoretical and practical instruction, certified by Oxford University.
